Date

I have read and understand the guidelines regarding appropriate use of technology and the Internet by students. I also understand that there is objectionable material available on the Internet and by following the guidelines above, my child should not be exposed to this material. I further understand that precautions have been taken to restrict access to sites where the language, photos, text, etc., may be offensive. I agree to support and uphold the guidelines.

## Internet/Network Technology Contract

Chautauqua County Community School, USD 286, will provide access for student and staff to technology equipment and software including, but not limited to: CD Recorders, scanners, and digital cameras, video production equipment, local networking, electronic mail, and internet to be used for school related work.

All users must share the responsibility for seeing that our equipment and facilities are used in an effective, efficient, ethical, and lawful manner. *It is a privilege to have access to these resources* and therefore, all users must agree that they will comply with these rules. Students will be issued a(n) Computer/Internet user account only after the signature portion below is returned to the school.

Users are responsible for adhering to the following guidelines:

1. I will have a teacher's permission for using the computer, and Internet, and use only the software and/or websites, which my teacher has assigned to me.
2. I will use appropriate behavior and language, and be courteous to others on the network and on the Internet.
3. I will use the equipment with care and leave all materials, equipment, and parts in the lab or computer area so that the system will be in good working order for the next user.
4. I will connect only to sites, which have been allowed by the teacher and are school appropriate.
5. I understand that the computer systems have been set up for me and may not be changed in anyway.
6. I will use only "school-appropriate" language, pictures, and other data on the computers or network.
7. I will follow the copyright laws, which protect programs, data, books, and pictures.
8. I will help to keep the lab or computer area clean and orderly by recycling unwanted paper, picking up personal items, etc.
9. I understand that any e-mail, or computer application or information produced by and/or on district computers or district equipment is subject to monitoring by the staff and/or administration. The school retains the right to duplicate and/or retain any information created by students on the network or on any individual computer.
10. I understand that I am not to download or install any programs from disk, CD, flash drives, or from the Internet to install on school computers and equipment for any reason.
11. I understand that I am not to login or use another person's network/Internet account without prior teacher approval and the user's written permission for school or school related projects only.
12. I will report any problems to a teacher or the network administrator immediately.
13. I understand I may lose my email account if I misuse it or access it without the supervising teacher's approval.
14. I understand that the school may retain a copy of work produced by me to use for future educational uses, but not for profit.
15. *\*\*I understand e-mail is archived and kept electronically for a required amount of time. I also understand that all public school e-mail is considered public domain so school officials, law enforcement officials, or other public officials may request archived e-mail for reference and presentation in legal matters.*

Any user's technology privileges may be suspended for the semester (or as administration deems necessary) for violating these guidelines. The district discipline policy as per the student handbook will be followed

### Chautauqua County School District USD 286 Internet Picture Permission Form

Chautauqua County School District, USD 286, maintains a district web site to provide information to parents and patrons, promote school spirit, and to share student activities with the Sedan community and patrons. Sports and Organization group pictures are placed on the web site without student names. However, as more staff members begin to build their own classroom and organization web pages they would like to add more individual student pictures to their pages so parents, grandparents, and other family members may see the students' accomplishments. In doing this, USD 286 would like to make parents/guardians aware of this activity and would like parental/guardian permission for individual student pictures.

The following guidelines will be followed:

- ◆ Sports/Activity scholarship signings will be placed with student first name only.
- ◆ Sports activity pictures will be placed with student first name only.
- ◆ Group sports pictures will be placed without student names, ie. football, volleyball, basketball, etc.
- ◆ Organization group pictures will be placed without student names ie. FCCLA, FCA, FFA, etc.
- ◆ Class group pictures will be placed without student names
- ◆ Classroom/Organization pictures will be placed without student names
- ◆ Student activity pictures will be placed without student names
- ◆ In the event of an individual's special accomplishments the first name of the individual will be used after the staff member responsible for placing the picture has obtained special parental/guardian permission.
- ◆ In the event a student is present in a group picture and there is a known danger teachers will blur the student's face so the picture may be used.
